INDEX.

NOTE.—This Index does not include the names of ministers given in the general Statistics, pp. 57–96, which are indexed alphabetically on pp. 98–109; those in the Treasurer's Reports of the A. C. U.; nor those contained in the List of English Periodicals, pp. 347, 8. Remember that the same name may occur twice on the same page, and yet be noted but once. For general topics, see the TABLE OF CONTENTS, pp. iii. and iv.

[The starred pages indicate those in the October issue, so numbered—a mistake having occurred in the paging of the volume.]
